## PROFILE

I am Self-taught web developer who enjoys learning new technologies. I've always been passionate about technology and video games, so programming started naturally as a hobby for me. I specialize in the SERN stack (SQL, Express, React.js, and Node.js). I am looking for an opportunity to work and grow as a developer.

## EMPLOYMENT HISTORY

### Dog Handler, Singapore Armed Forces

Singapore

Jun 2019 — Nov 2021

Conducted dog trainings such as obedience training and attack work for the military working dogs in the Singapore Armed Forces. Through this trainings, I learnt how to be patient and effective communication skills with other dog trainers to better improve the effectiveness of the trainings.
